Meals service

We provide quality, flexible, user-friendly care services that respond to individual needs, promote independence, dignity and choice, in order to maintain or improve the quality of life of those in need and their carers. Registered with both Solihull and Dudley MBCs, FCT is a major supplier of care services to these authorities, the NHS and private service users.

Games Room

croft centre

support, stimulation and smiles...

croft centre service offers:

The Croft Day centre, at Hobs Moat, Solihull was one of the pilot centres to develop modern day care in the late 90's. Since then it has supported hundreds of service users, their family and carers.

The centre specialises in providing stimulating day care for older people who have dementia, Alzheimer's or other mental health issues. Day care provides social contact in a safe, supported environment for the service user and gives carers and relatives much needed reliable respite opportunities.

The centre has a memory room, designed to help service users recall their past in an interesting and motivating way. Regular trips are taken using the centre's minibus that has disabled access and experienced, qualified drivers.

The centre prides itself on building close, caring relationships with the service users, with the focus very much on the individual, stimulation, motivation and of course smiles.
