### help us plan for the future...

The Family Care Trust is a charity that provides a wide range of support services to vulnerable people in the Solihull area and wider West Midlands. Our work includes assisting adults with mental health issues maintain their independence by providing support in their own home.

We have services that provide this help in Solihull and in Dudley. In common with many urban areas, Solihull has a minority group who have a mental health problem and are very isolated from the community.

Our befriending support matches such people with volunteers who work with them to help them socialise, access services and start to enjoy life a bit more. We have 3 care centres for older people who are frail, confused or disabled in some way.

At Newlands Bishop Farm we provide independent living skills and training to adults with a learning disability.

### Your kind gift can :

- Help us plan ahead with buildings and facilities
- Help us continue to provide services to the community
- All donations and legacies are directly used to benefit our service users
- Help us to help other people

## donations & legacies

real, positive help in your community...

### giving is easy :

All of this work requires regular investment to provide the very best support and care to those who are not well placed to help themselves. You can help with a donation, particularly for higher rate tax payers, or by remembering us in your Will.

Gift Aid is tax relief on money donated to UK charities. FCT are able to reclaim this tax from HMRC and so increase the value of your donation. If you pay UK income tax all you have to do is provide us with your address at the time of donation and we will do the rest.
