## fct training

for business professionals...

### our training service :

We are a provider of professional courses, designed for organisations who wish to train their staff, as well as for individuals who are seeking their own personal development. Our courses are designed to be practical, comprehensive and interesting, providing real value for money for top quality learning.

We have courses that are aimed at introductory, intermediate and more advanced levels and many of them are accredited to a national standard. Our courses are an economical way to improve the skills of a team or raise the employment chances of the individual. Prices start at as little as £55 for a 1 day HSE Emergency First Aid at Work course including all materials, refreshments and lunch. Some courses do have additional examination fees which are paid to the accreditation body.

We hold courses at our modern facility in Marston Green, Birmingham that has excellent public transport connections and parking for course delegates. The centre has two air conditioned comfortable training rooms (available for hire), with a separate café refreshment area, where a buffet lunch is served to delegates. We can also prepare bespoke learning and development sessions for delivery anywhere in the West Midlands.

Please do call us for information about dates and costs for courses and we will do our very best to help.

call on **0121 770 8610** for more information
